

job description

Architectural Designer

Urban Foundry Architecture is looking at the rest of 2023 with excitement over a number of marquee architectural and interior projects. We are seeking a self-motivated, energetic Designer with an entrepreneurial spirit to join us as we grow. Urban Foundry's primary focus is urban architecture, and we have a solid history of providing great design for our clients and are looking for the right people to help us strive toward our *mission* of **Great Design in Urban Places** and our *vision* for **growth and continued expertise**.

Urban Foundry Architecture is a young, ambitious Austin-based design firm focused on **urban architecture and interiors**. We are experiencing strong growth in one of the fastest-growing and most dynamic cities in America. We offer driven, creative designers and architects the opportunity to propel their careers working on wildly diverse projects; with a company culture that values its team

Duties / Responsibilities

- Work both individually in a self-directed role on smaller projects as well as working in a continuously collaborative environment on larger project teams and report directly to an Architectural Project Manager.
- Develop design and construction documents for almost all project types – Office, Retail, Restaurant, Multi-family, and Mixed-use developments.
- Participate in and/or oversee Architect's responsibilities during Permitting and Construction to help ensure project quality and success.
- Coordinate directly with Urban Foundry's Interior Design Studio.
- Be mentored toward a future role as Project Manager/ Project Architect
- Have the opportunity and flexibility to choose diverse paths for professional development with creative, experienced, and **FRIENDLY** firm leadership.

Desired Qualifications, Skills & Abilities

- 1-5 years of relevant work experience
- Professional degree in Architecture
- Excellent communication skills
- Proficient in Revit, Enscape, BIM 360, and AutoCAD
- Knowledgeable with Construction Documents
- Lumion, SketchUp, Bluebeam, and Adobe Skills are strongly desired

What we offer

- A signing bonus for ideal candidates
- Work-from-home options
- 10 paid holidays a year
- Emphasis on work/life balance includes a hybrid work schedule and half-day Fridays
- Paid health insurance coverage
- Company 401K plans
- Paid time off for Health and wellness days, in addition to sick time
- Paid time off for professional development, including conference reimbursement
- Paid mobility incentives for using alternate forms of transportation
- Transparent leadership structure, including a path to partnership
- No time sheets!

Qualified candidates to send resume and portfolio to dcarroll@ufarc.com
